Full comic available!

Alright guys, we have a rich bitch
in the house today! Sorry, rich lady!

Be sure to give the *proper* good
treatment the madam deserves, alright?

Pardon my French ma'am, but goddamn!
If you are so rich shouldn't you be able to
afford a couple razors to shave?

It's not like that! I'm not rich at all!

But you said before you're
not doing this for the money.

Yes I did! But that's because I saw your videos
and wanted to have a crazy experience!

See? Only rich bitches would say that

I'm serious! I want to be fucked and tossed
around like a ragdoll by you guys!

Like I saw you do to *my friend* in her video!
I was so horny watching it!

She was the one that told me to NOT shave,
she told her clients and your perverted viewers like it really hairy!

Hold on a second, *your friend?*

You don't mean that blonde *android* whatever bitch, do you?

Yeah! That's her!

Goddamn it! After that halfwit came here, this place
is crawling with stupid bimbos! One dumber than the other!

You look very familiar... did I see you before?
Not that I go to the shitholes you bitches work in,
but I'm pretty sure I've seen you before...

I don't think so, Mr. Director...
I never even whored myself before,
this is my first time doing anything of the kind!

No shit?! So you are what? Some bored housewife
jumping from the frying pan into the fire for her first porno?

And what's up with the school girl outfit?
Pardon me again ma'am, but are you not too old for it?
Did your friend suggest that you wear that too?

Nooo, you are so mean! Of course I'm NOT too old!
I just turned 25! I'm even still in college right now
so technically I'm a university student! This outfit is aalll me~~

Yeah, yeah, sure... and I'm the Pope!
Let's just get this started with,
please introduce yourself to the audience

Hello, my name is **Bloomers**
I am **25 years old** and this is my
first professional porno

I'm here today to take cock in all my holes
and be tossed around like the whore I am
and get covered in filth for your pleasure... ♡

I'm terrible sorry to interrupt you, ma'am
But I just need your signature here
before we can start

BROKEN

Oh... okay...

Here and here...
Done!

Thank you, ma'am! Alright, everything is correct
I'll just go and put this away

Could you fetch me a glass of water?
My throat is so dry...

Of course, ma'am!
I will be right back!

Thank you!
I will be waiting right here ♡

So is this a break? It's not recording anymore?
Do we need to start all over from the beginning?

I don't really remember where I stopped...
Is there enough time for me to touch up my makeup?

Here's your water, you dumb whore!
What's up with that attitude, huh?!

WHAA---

So you are a rich bitch that likes to
look down on us common folk?!

Where the fuck you think you are, huh?!
You are a hot steaming pile of garbage!

We are gonna pound
some manners into you today!

You gonna fuckin' learn!

OOOHH

A woman with short, vibrant teal hair and bangs is shown from the chest up. She is wearing a pair of white-rimmed sunglasses with purple lenses perched on her head. Her eyes are heavily lined with dark makeup, and she has bright red lipstick. She is wearing large, ornate gold earrings and a thick, chunky gold chain necklace. She is holding a black microphone close to her mouth, and her expression is one of intense, aggressive speech. She is wearing a light-colored, possibly white, sleeveless top. The background is a blurred outdoor setting with a reddish-brown wall and some foliage.

Didn't you want to be treated
like you deserve?

Brace yourself!
We gonna give you plenty
of filthy whore treatment today!

What's up bitch?
Need to catch your breath?

*Oh my God, what the hell
is going on!*

HAAAAH

AAAAHHH

Get back here, you lazy animal!!
Your hellish punishment
has just begun!

Uggghhh

Come here, bitch!
Get her good, man!!

Fuck yeaaahhh!!

Alright, bitch! Now you will atone
for your rich bitch bad manners.

You are gonna bow down
and *sink your face* in that puddle
of your *own disgusting vomit*

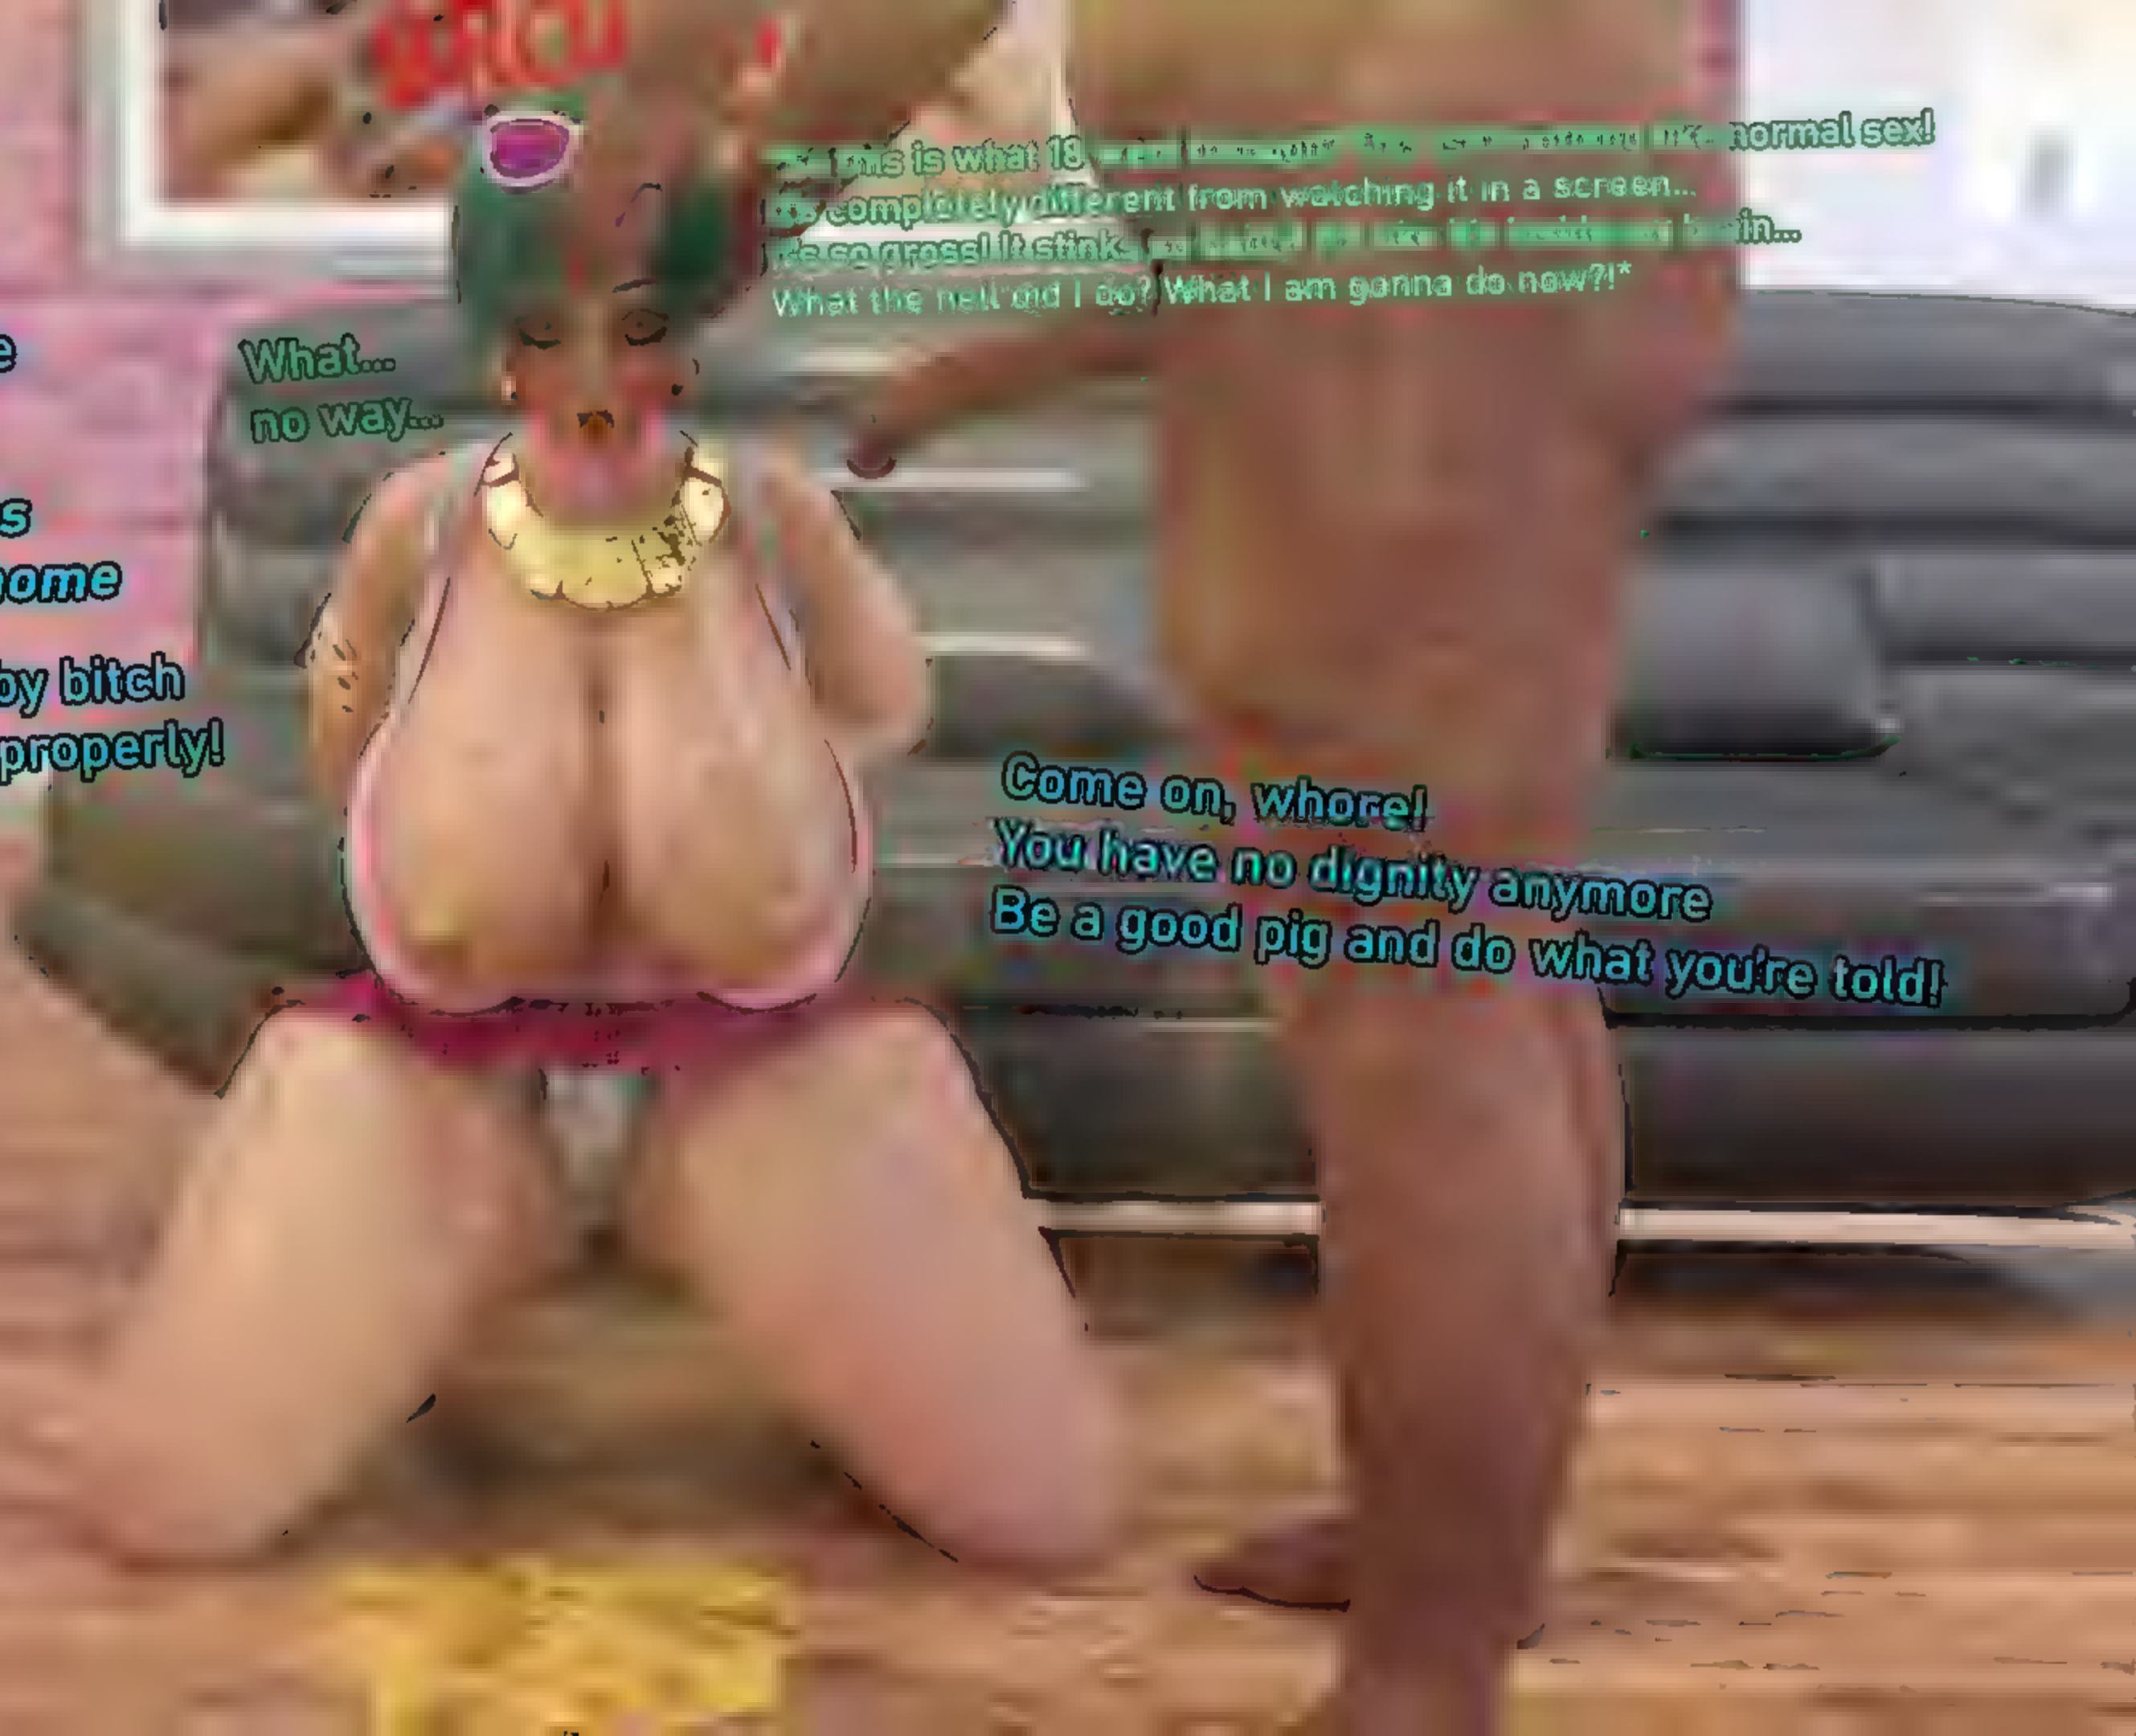

Bow really low and beg forgiveness
of the good folk watching this at home

Say you are sorry for being a snobby bitch
The whole world is watching, do it properly!

...this is what 18 ... normal sex!
...is completely different from watching it in a screen...
...is so gross! It stink...
What the hell did I do? What I am gonna do now?!

What...
no way...

Come on, whore!
You have no dignity anymore
Be a good pig and do what you're told!

I'm terrible sorry, everyone!
I deeply regret acting all high and mighty
even though I am just a **stupid bimbo**
and a filthy **piece of shit**.

A pig is worth more than me
Please give this **toilet whore**
the punishment it deserves

What the hell am I saying?
What's going on?

That's it, you piece of shit!
You're learning!

Alright you dumb cunt!
Let's show the world
how pretty you are now!

Don't fuck it up!

Hello, my name is **whore**, I am a human toilet
My only purpose is to be fucked
and fed vomit, piss and cum

I'm not worthy of any respect,
I deserve to get beaten and abused
because I am just worthless filthy pig!

When you are done using me
like the cheap whore I am,
just treat me like every other piece of trash
and dispose me in a dumpster

So that all the filthy bums can
have their way with me!

Damn right, you're worthless sow.
We're doing a new play now.
Be a good pig! Stand on your filth!

That was so disgusting...
I never thought I'd have my face
in a pond of my own puke?

...that was... that stuff... and
...felt so humiliated
...that was so disgusting...

Ok...

Your feet are so hot! You look gorgeous!

Who the fuck are those people?!

Those are the guests
I just talked about,

Wwaa! They're ugly as fuck!
And they smell so bad...

Lady, you're beautiful drenched in filth like that!

The puke smell is a bit strong but...
It's something else to see it for real!
I really love it! I can't hold it anymore!

We made a contest and
selected the ugliest and dirtiest
of our fans to come for a tour!

They are already dirty fucks but
were told to not wash their
cock to build some smegma for
the whore in their tour.

It's been a month! Goddamn!
They smell so bad it's like I can see it!

Perfect for a pig
like you though! HAHHAHA!

You really look like that one rich lady
that appeared on TV back in the day...
Are you a fan trying to cosplay or something?
You're a bit too old for that though...
No offense lady, you're still super hot!

I masturbated to her when I was a kid!
I fucked up my parents magazine cover she was in!
But I never pictured her all dirty like this...
She was so classy... back then I wasn't into filthy like this...
I'm so lucky! I got the call to be here
and her look-alike is here today!

Ooohhh fuck!
I'm cumming!

Eeeeew!!! Nooo! You reek!
That's sick! You sick perverts!
Keep those filthy dicks away from me!

*Not... I...
I... need... to go...*

A man with a shaved head and a goatee, wearing a dark towel, is smiling at a woman in a yellow bikini. The woman is in the foreground, out of focus. The background is a bright, possibly outdoor, setting.

We're on a tight schedule here.
Our guests had a long stressful trip.
We can't leave them waiting. I'm sure you understand.

So, come now. We got something new.
I'm gonna make you even prettier.

A person is kneeling on a sandy beach, facing away from the camera. They are wearing a light-colored, possibly orange or yellow, sleeveless top. In the background, there is a pink building with a white door and a window. A black lounge chair is also visible on the sand. The scene is brightly lit, suggesting a sunny day.

I'm almost done...
Yes... yes... you look so pretty!
What a transformation!

Here whore, look at yourself!
I bet you never been so pretty before!

How does that make you feel? HAHAHA!

*THAT IS ME? NO!!
I LOOK LIKE A UGLY PIG!!
EVEN WORSE!!! IT'S HUMILIATING!!

*FUCKING BASTARDS
THIS IS SICK!!

Now expose your shameful self...
I'm gonna help you here.
Like I said, those boys come from far...
They are big fans of the show.
This is all about them and us. You're just another whore.

They want to drill your warm insides,
extract your whore spew...
And they want you really pretty for it.
Now open real wide and serve your purpose.

OMG! Old man!
That whore looks perfect!
You really are an artist!

Come on, real wide.
"AAHHHHH"

They are coming for it
you gonna give it them!

AAAAHHHH

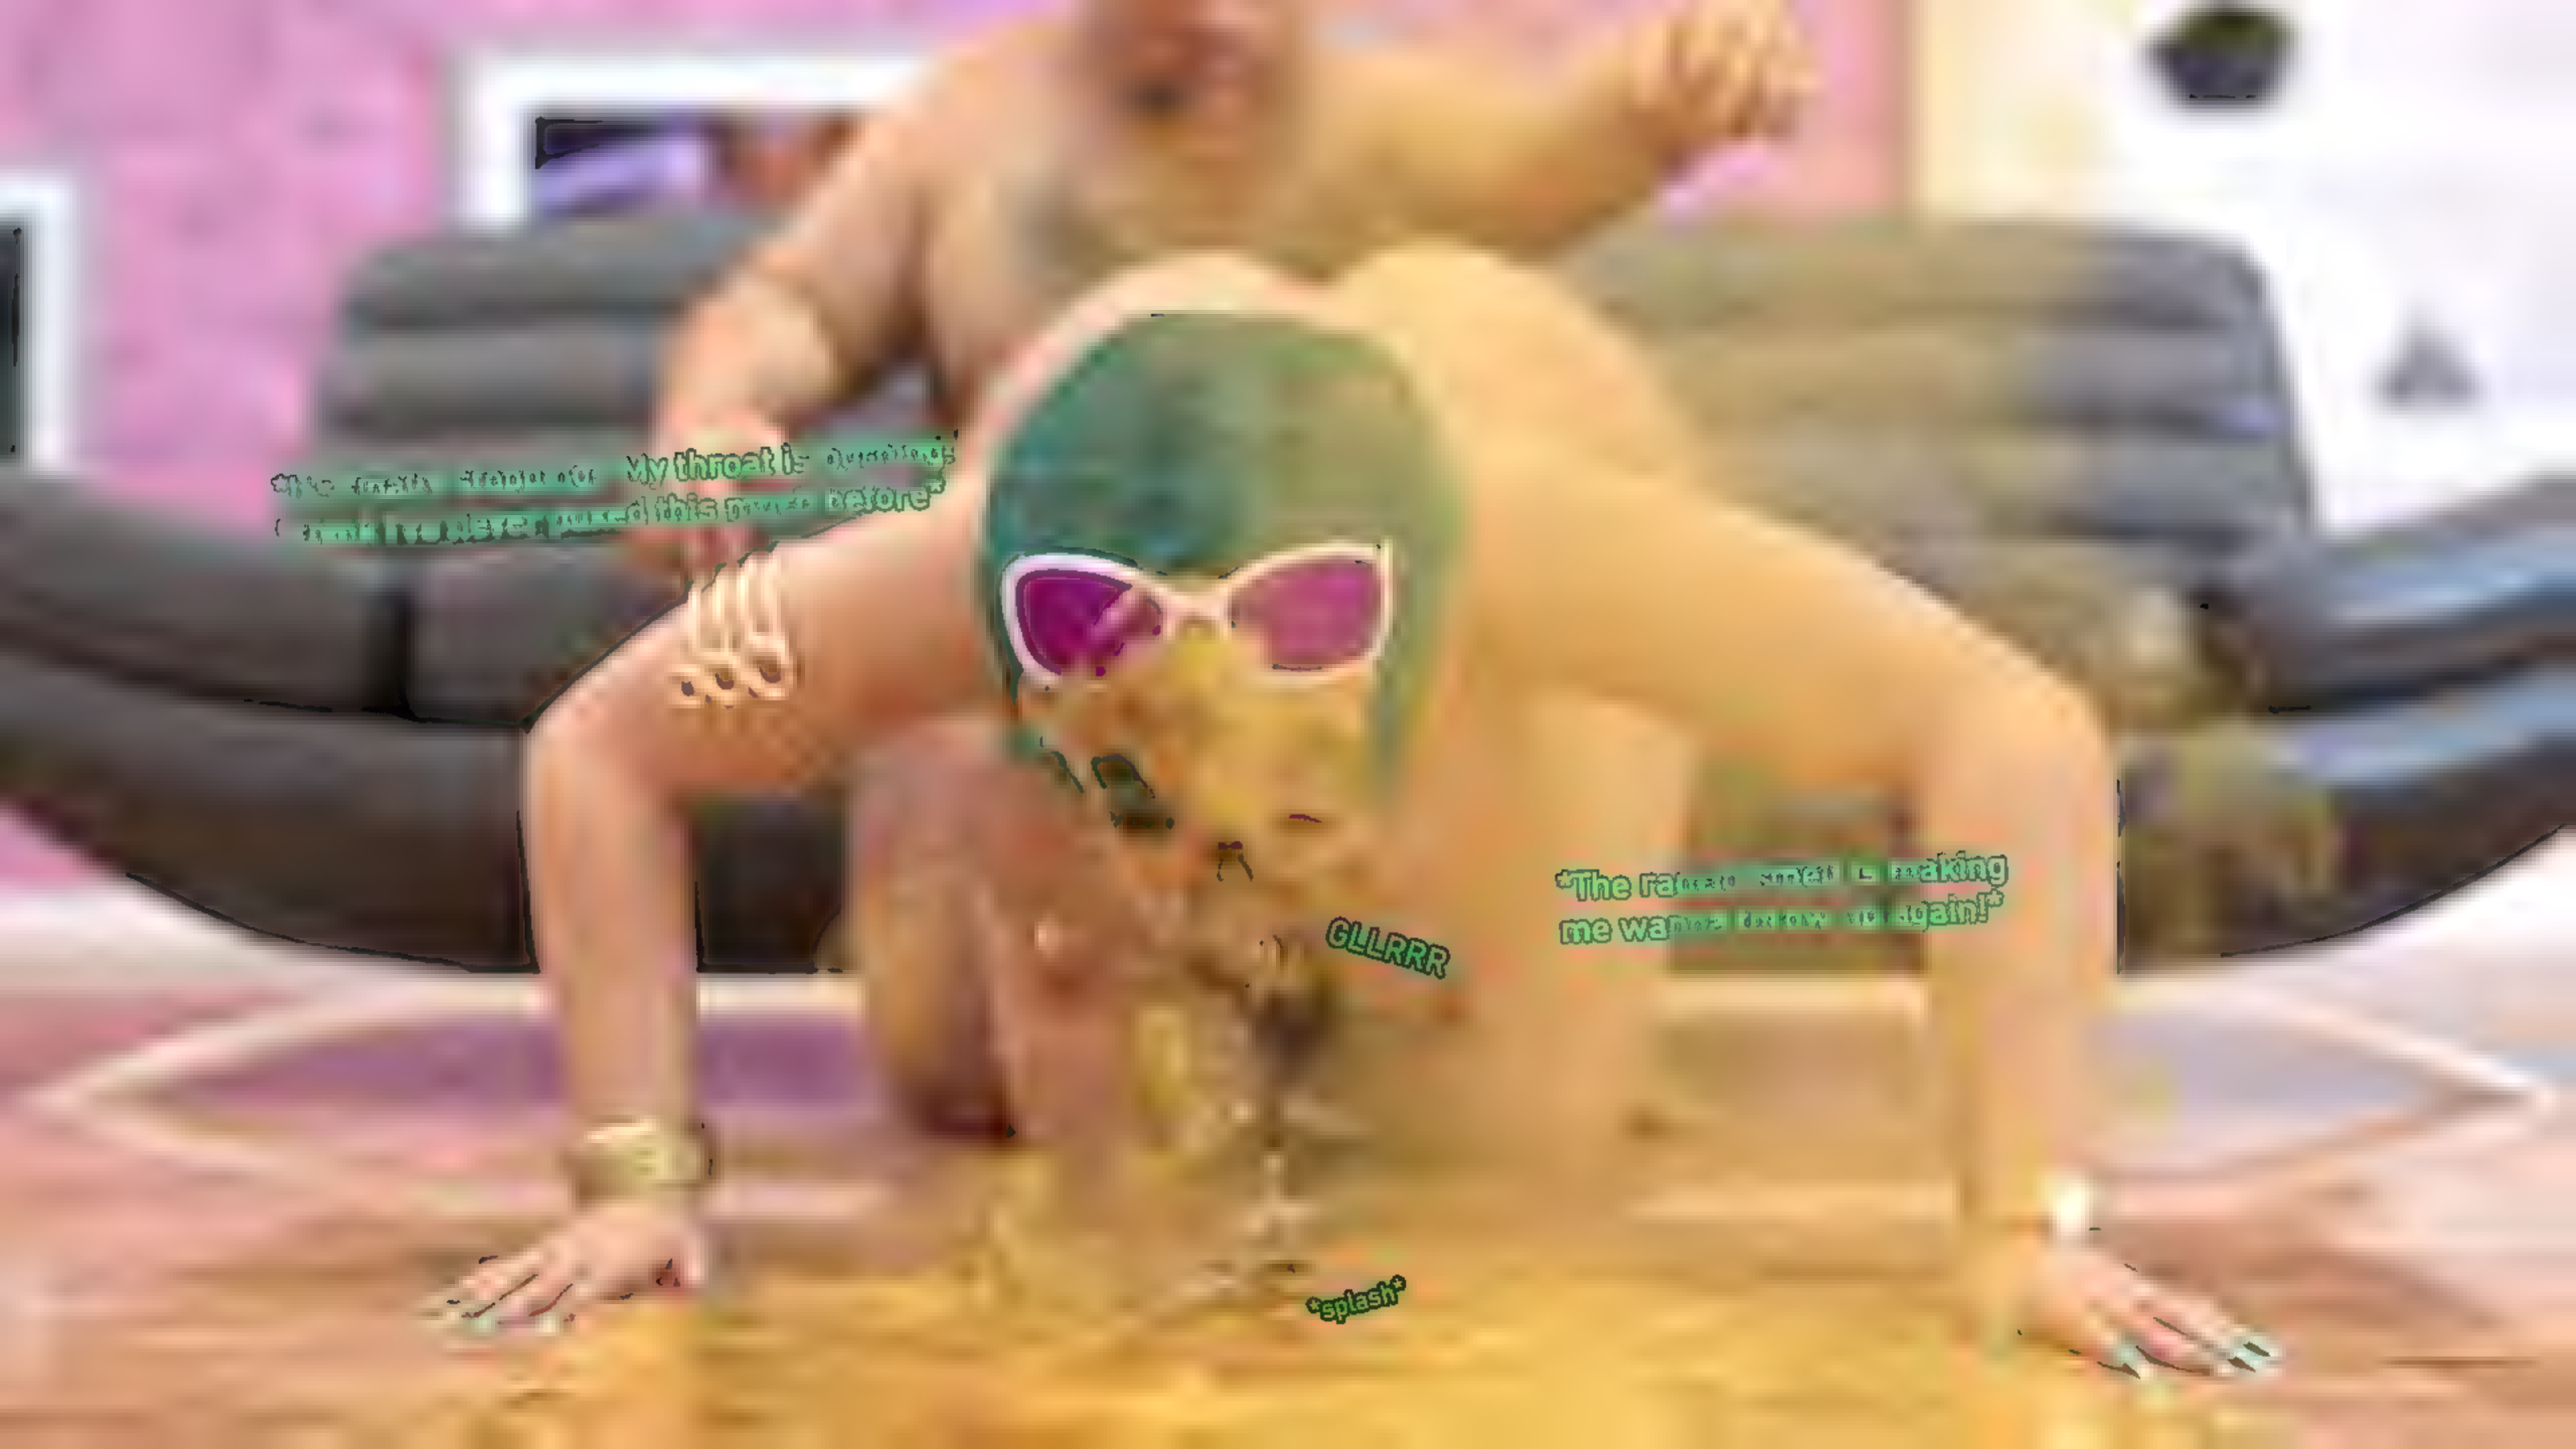

You're making such a pathetic face!
Give it to me! I can feel it!!!
I'm gonna cum inside your throat now!!

My throat is
drying out
I want to drink

*The rain is making
me want to drink again!

GLLRRR

splash

Good job extracting the good stuff, boys!
This gon' make some fine natural lube!

What the hell...
I think I've seen this before...*

*No fucking way! No! No! No!
He's pushing it! He's pushing my own vomit inside my asshole!
My belly's full! It's warm and it's making disgusting noises!!*

Relax bitch.
With that special lube,
my fat cock will slide right in!

*I'm still too full! I can't do it there
right now!!*

UGHHHHHH

There it is!!! The whole thing in!!
Told you that's the good stuff!
How do you feel getting assfucked
with your own filth as lube?

Feeling like a trash whore already?

*It fucking hurts!! It's been years since
the last time I did anal! This is so sudden!
It's too rough!!*

OOOOHHHH

No! No! No! My stomach hurts!!!
NOOOOO! It's coming up again... my mouth is full!!!
and if he keeps pouding my asshole like that...
NO! NO! NO! NOOOOOOO!!!!

Oooohhh!! I fucking came again!!
Pulling it out now.

HAHAHA!!! Damn bitch, you let it all out!!
Can't you hold your shit together?
What a shameless whore you are!!

*NOOO!!! I can't control it!!!
It's coming out!!! My belly exploding!
Please stop!!! DON'T LOOK!!!*

Damn! A big one is coming out!!!
So what you gonna do now?
Still wanna have a go at her asshole
or you boys gonna chicken out?

*What?! Nooooo!
I can't believe I'm letting it out in
front of other people I'm so ashamed!!!
But I just won't stop moaning out!*

HEY!!!

OUT THE WAY, OLD MAN!!!
GET THE FUCK OUTTA THERE!!!

Hello there, I'm a long time Broken Bimbo fan
and was luckily selected to be here today as a guest.

The moment I saw that beautiful MILF
with her enormous ass up high, her face
sinking in a puddle of her own vomit
and shitting herself right in front of me...
The depravity of it all made my body move on it's own!

We're all degenerates, fucked up in the head gooners,
so we had the same instinctive reaction!
When I realized it, I was already rushing in front

I knew that was the opportunity of a lifetime
and I had to seize it!

I barely even heard anything the old man
said, I think before he even said anything
I was already running like crazy towards that
big fat bimbo ass!

Noooo!! My asshole is burning!!

That's disgusting!
Stop it already!!!

Before I knew it I was fucking her asshole,
using her warm liquid shit as lube!
I was so in heat that the foul smell didn't bother me!

She was making an expression of pain and disgust
which made me twice as hard but also annoyed
me because she was implying she didn't want my dick,
acting like she was too good for it,
like she was in charge here!

So I kept pouding that ass as fast and strong
as I could! While the shit kept oozing out her buttthole
I kept telling her what she truly was:
Nothing more than a dirty hole to be used!

Noooooo!!!

I knew realistically I only had this one shot to fuck her
as a guest on Broken Bimbo. So I was clutching
on her meaty body and fucking her like a wild animal!

I wrapped my arms around her and hold as tight as I could!
When I squeezed her stomach even more warm shit lube came
oozing out of her asshole causing her to lost her mind for a moment
and then it crossed my mind and became my only thought:
"I'm gonna marry this bitch! She's gonna be mine!"

My asshhhh....
Ish hurrshss....
Bush feelsshh goooody...

You're my wife from now on! We gotta make it official!
Here's your wedding ring! Open wide!

Bush... I... Bul...
Blu... Bloomas...
have... a hushbandy...
alreashy...

BULLSHIT! NOBODY WOULD'VE WANTED A WHORE LIKE YOU!
AND AFTER TODAY NOBODY EVER WILL!
I'M THE ONLY ONE THAT'S GONNA ACCEPT YOU!

THATS IT, BIMBO!!!
YOU'RE MARRIED TO MY COCK NOW!!

Now come here, come here...
Let's show everyone how good
at cleaning my wife is!

That's it!! Now tell the
world who owns you!

Call me Master, you dirty pig!
And be grateful I call you a pig!
You know you are worth less than them!

Ish is you!! You ish...
my... hushbandy now!!

Yesh... shank you, Mashter!
Blooma... ish a worshless slut!
Pleashe uzzee me ash you want!!

Damn boy, good fucking job!
You really flipped the switch!
I knew you would surprise me!

Now we still have a job to do!
Let's get this shit going!

After the director said that I snapped back to reality
I instantly wanted to put her back into that sexy school girl outfit...
The contrast that it didn't fit her body at all really made me horny!
And I didn't get a chance to fuck her using it before.

We were still in the middle of the shooting,
I really wanted to give a good idea,
you know, maybe they call me another time?

It was time to let the boys have their turn so I said:
"Come on guys, help me put her back in the outfit and
you guys can have a turn with my "wife" as well."

We all laughed and after we helped her change into it,
we fucked the shit out of her!

By the end of it, she had take so much dick
and cum in all of her holes that she
was barely concious...

"These guys are using me like a sex
toy like a sex toy for nothing... I
almost can't feel anything... I
need a break"

Alright guys,
we gonna fulfill the bitch's wish now.

"Finally... I think they finally heard me...
does that mean I can get a break?"

Put her in there.
There's a party today.
We gotta make her real pretty.

Imma gonna head out now,
you boys take care of it.

*Yes, let me lay down a bit please...
I'm so tired... I really need a break...

The old dude only said that, it was quite vague.
We didn't know exactly what was going on
but we sure as hell knew what we had to do!

*It's so bright

*It's really annoying...
But I'm so tired...*

Wow, she's still in there?
Damn, with that pale skin...
I forget to tell you guys to leave
her only for a few minutes...

She's still in there?
Damn, with that pale skin...

It's ok boys.
Let's see what we got here.

Oh my. Would you look at that!
You boys artists or something?
This is beautiful!

Damn, this bitch should be
paying us instead!

Alright, time to head out!
We doing some charity today!

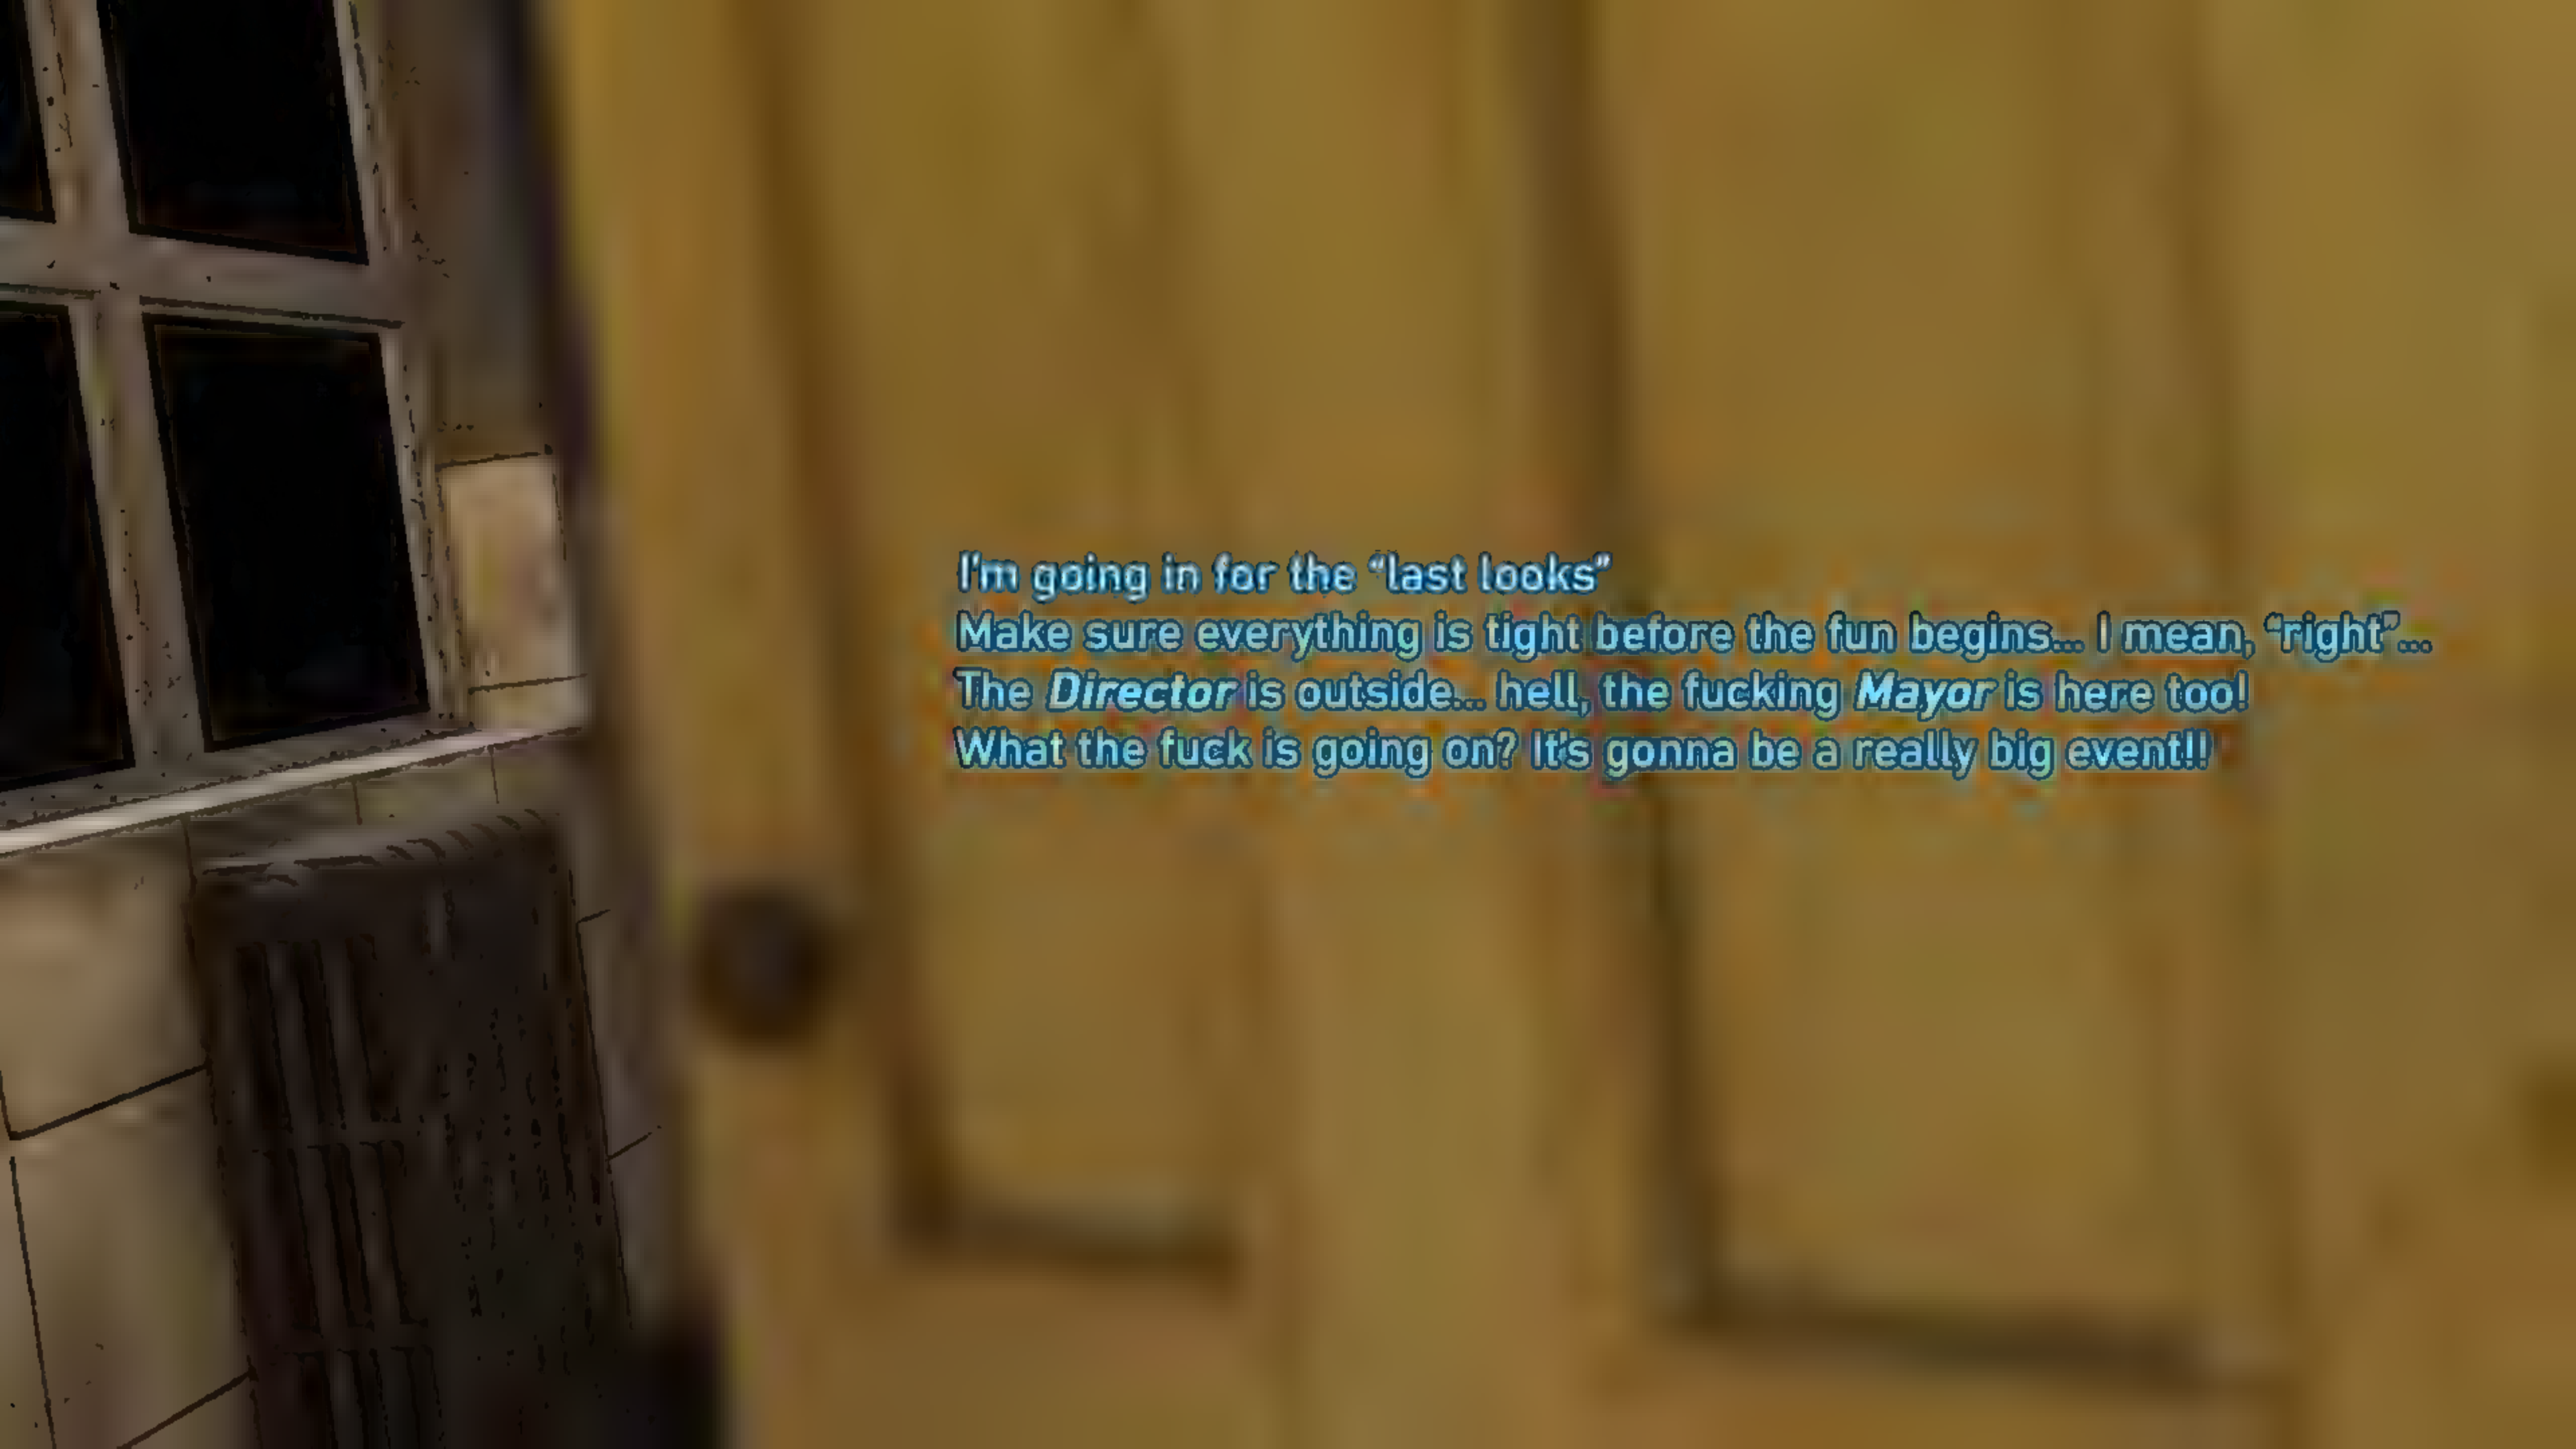

LATER THAT DAY...

We drove deep into the slums and when we got there
the old man had us to do the heavy lifting...

We even had to do some construction work...
I had no idea so much effort went into building these things...
But at the end of the day it was totally worth it!

All that leg stretching came handy but it still wasn't easy.
We are dealing with some extra thick material here!

I'm going in for the "last looks"
Make sure everything is tight before the fun begins... I mean, "right" ...
The *Director* is outside... hell, the fucking *Mayor* is here too!
What the fuck is going on? It's gonna be a really big event!!

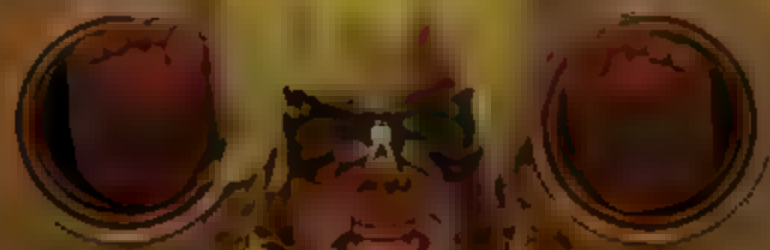

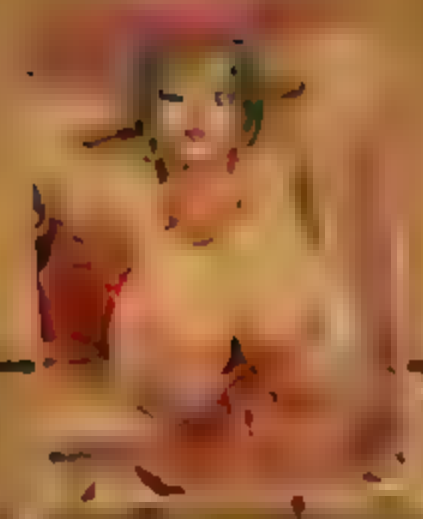

I can almost see it!
